### The Schuck/Flack Family at the International Show 2010

Well, here we are, the seven of us. You can't imagine what it took to get all of us to hold still, smile and put our ears forward, too! I can just about hear my husband's thoughts. He's saying, "Shoot, I wish I were still wearing my costume in this picture!" We're all gathered around our darlings of the International; Miles Flack and Pride's Dynamic Look, aka "Ricky". Thank you so much to Dwight and Kim Olson for selling him to us and for all the tips and attention you give to Miles and Ricky at the shows. We really appreciate all of your help. It's been a great year for them.

Miles took home a grand total of four trophies down in Missouri. Grandpa Mark scored an assist with Ricky and Miles by helping them to a first place finish in leadline horsemanship. Grandpa also took Ricky into halter and took home fourth place in a very competitive medium geldings' class. (Is it the pony or the handler?) Miles and Dad/Keith channeled the late Evil Kneivel for first place in leadline costume and then Miles and Ricky took unanimous firsts in 8 and under boys W-T English and Western Pleasure. Lil' sister, Katelin, made her International debut by placing 3rd in leadline costume and 7th in leadline horsemanship with Santee Mr. Magic. Big sis', Olivia, was disappointed to have to withdraw her pony due to a bad reaction to the unbelievable heat index, but not before taking first place in youth cart with Doc's Sirius Midnight Mist. On a side note, has any consideration ever been given to moving the show to International Falls, aka the "nation's icebox"? I hear the ponies there measure in a full two inches shorter due to the low temperatures. It has something to do with the permafrost and condensed molecules.

Maybe I'm still getting over the oppressive heat and humidity felt throughout much of the summer, but I am really looking forward to the pony friendly temperatures at our 2nd annual "Spooktacular" show held in Winona during Halloween weekend. Eva Dahl, Fred Netz and many others do a fantastic job of organizing a multitude of door prizes and high points, including two saddles to be given away. It's a great excuse for adults to put on their favorite costumes and act like a bunch of dang kids. I'd have to say that it was one of my family's favorite shows last year. The heated indoor facilities have all the amenities that one could wish for. We hope you all come and enjoy the festive weekend with your favorite ponies. Until then, may your pony's spots be big, ears be small, and height be just right with shoes on.
